

Modern Music Center | Grand Opening

hosted by Paragon Sight & Sound

On Thursday, March 1st, Paragon will host a special event in honor of the Modern Music Center Grand Opening.

Join us, along with special guests **John Quick**, General Manager of dCS Americas Inc; **Steve Silberman**, Vice President of Sales for Roon Labs; and **Chris Connacker**, founder of Computer Audiophile.

Also in attendance will be **Jesse Luna**, Sales Manager of dCS Americas Inc; **Nicolas Debard**, Worldwide Product Development Manager for Focal France; and **Sanjay Sharma**, Director of Sales & Marketing, Focal North America.

To welcome Focal to our store, we will be raffling a pair of Focal Elear headphones.

Beverages, light appetizers, and desserts will be served.

About Paragon's Modern Music Center

The Paragon MMC is an innovative store-within-a-store that showcases the wide variety of music playback options available today -- customer interaction encouraged!

Featuring interactive displays, the MMC's **Turntable Bar**, **Headphone Bar**, and **Digital Streaming Bar** are configured to allow customers to get hands on with equipment before they buy.
